

Placing a Hold on a Book (Elementary)

1. After logging into Destiny Discover either search the catalog for a specific title or use the ribbons (recently added, topics so forth) to find a book.

The screenshot shows the Follett Destiny Discover interface. At the top, the header includes the Follett logo, the text "Destiny Discover | Discover", and a menu icon next to "Barcroft Elementary School". On the right side of the header, there is a "Patron account. Can see checkouts, holds, fines, so forth" label with a red arrow pointing to a user profile icon, and a "Help" icon with a question mark.

Below the header is a search bar with a magnifying glass icon and the text "Search". To the left of the search bar is a white box with the text "Type here to search" and an orange arrow pointing to the search bar. To the right of the search bar is a green button with a magnifying glass icon and the text "Search Options", with a white arrow pointing to it from a white box containing the text "Use this for a more advanced search."

The main content area features a "Recently Added Books" section. It contains four book covers, each with a green "IN" ribbon in the top left corner and a "Hold" button in the bottom right corner. The books are: "Subway" by Anastasia Suen, "MARTIN LUTHER KING JR. and the March on Washington" (Young Readers Level 3), "Peek-a-Boo! Jungle" by Jessi Stockham, and "ten tiny babies" by Karen Katz. A blue arrow points from a white box with the text "Ribbons. Scroll for more" to the "IN" ribbons. A green arrow points from the right side of the book covers to a white box with the text "Use this for a more advanced search." At the bottom of the page, there is a "Topics" section and a vertical "Help Us Improve" button on the right side.

2. When you have found a title that you would like simply click the “hold” button.
